## MESSAGES

### GRADE

- P = Primary (Grade 3).
- 4 - 12 = Grades 4 through 12.

### TITLE I STATUS

- Adequate Yearly Progress (AYP) consequences are calculated based on the school and district's Title I classification for the 2010-2011 school year.

### STATE ASSISTANCE FOR NON-TITLE I SCHOOLS

- Senate Bill 1, signed into law in March 2009, requires state accountability for Non-Title I schools. If a non-Title I school does not make AYP in the same content area for two consecutive years, the school will be eligible for state assistance. The description "Eligible for State Assistance" will appear in the Consequences table, School Status column, followed by the number "1" or "2" indicating the number of years eligible.

### EXPLANATION OF NOTES

- j = Joint school. School(s) have been combined with another school for accountability purposes because the school does not have a standard grade configuration (i.e. 3-5, 6-8, or 9-12).
- n = School or district experienced a natural disaster that impacted reporting of data.
- r = School is considered a new or reconfigured school in 2009-2010 and the student population is reconstituted for calculation of accountability scores.
- s = School is considered a reconfigured school in 2010-2011. NCLB consequences reported in 2010 do not apply to the reconfigured school during school year 2010-2011.
- t = School engaged in restaffing option under House Bill (HB) 176 (turnaround school under NCLB). This legislation, enacted in 2010 Kentucky General Assembly, defines persistently low-achieving schools and intervention options. School restaffing option requires a research-based school improvement plan of action to turn around student performance and after an audit is conducted may replace the principal, school-based decision making council, and 50% of staff and faculty.
- w = State Board approved school configuration waiver for calculation of accountability scores.
- x = School has closed for school year 2010-2011. NCLB consequences do not apply to this school in school year 2010-2011.

### SCHOOL CONSEQUENCES

- **School Improvement – Yr 1** of Consequences (2 years not making AYP): Notify parents, implement school choice, and revise school improvement plan.
- **School Improvement – Yr 2** of Consequences (3 years not making AYP): Notify parents, continue school choice, revise school plan, and offer supplemental educational services.
